EDUCATION

Indiana University Bloomington

Bloomington, IN

Bachelor of Science in Informatics; Minors in Psychology, Marketing, and HCI/Design

Aug. 2025 – May 2029

- **Activities:** Vietnamese Student Association, Luddy Living Learning Center

EXPERIENCE

Vietnamese Culture Night Marketing Chair

Apr. 2026 – Present

Vietnamese Student Association at Indiana University

Bloomington, IN

- Lead promotional campaigns for Vietnamese Culture Night, VSA's largest annual event, to drive attendance across campus and the community
- Create and produce video content highlighting cultural themes, performances, and behind-the-scenes preparation
- Design and schedule social media posts to build anticipation and keep audience engagement consistent
- Collaborate with performers, coordinators, and executive board members to keep messaging and branding cohesive across platforms

Board Intern

Oct. 2025 – Apr. 2026

Vietnamese Student Association at Indiana University

Bloomington, IN

- Shadowed board members across roles to learn how each position operates
- Assisted with planning events and projects, including preparation for Vietnamese Culture Night
- Designed a promotional poster and helped plan and set up a cultural booth for IU's World's Fair 2025

Service Assistant

Mar. 2024 – Aug. 2026

Allisonville Nursery

Fishers, IN

- Supported daily operations of a high-volume retail and garden center
- Assisted customers with product questions, purchases, and loadouts
- Restocked inventory and maintained organized sales areas to company presentation standards

PROJECTS

Rhystic Zone | *React, Vite, JavaScript, REST APIs, Vercel*

- Built a Magic: The Gathering Commander hub and deck builder as a fully client-side web app with no backend
- Integrated the Scryfall API so deck building runs on live, real card data
- Implemented live commander rankings and recommendations grouped by playstyle
- Added infinite-combo detection by connecting to the Commander Spellbook API
- Deployed on Vercel at rhystic-zone.vercel.app
